

NEWSLETTER CHANGE

PLEASE FILL OUT ONLY IF YOU DO NOT HAVE ACCESS TO THE INTERNET.

Due to the recent increase in postage rates, we would like to find a way to reduce the number of newsletters that we send out via postal mail. As you may, or may not know, we mail a copy of the District Newsletter to every Riverdale family who has school age children.

We wish to continue getting information home to our parents, and would even like to expand the distribution of the newsletter to any person in the District wishing to receive the Newsletter. In an effort to do so, we plan to post each edition of the newsletter on our District Website. We do encourage each Riverdale family to bookmark our website for easy access. Once you are on the home page, we will have a link to the newsletter. If we can get a large percentage of our families receiving the newsletter in this manner, we feel that we can drastically reduce our postage costs.

Our main objective is to get information into the homes of our Riverdale students. Therefore, we do hope that you will consider the electronic option.

If you wish to receive the newsletter via regular mail, please provide us with the following information and return it to one of the school offices:
